Sir,

UPDATE REPORT ON THE REVISION OF THABABIZIMBI LAND USE SCHEME

1 SCHEME CLAUSES

Attached please find the first draft of the Scheme Clauses for your comment. (Vs 1.4 dated 18 October 2021).

A full list of the 2014 clauses and their locations in the 2022 document has been attached.

2 DEFINITIONS

We thank you for your comments on the proposed definitions for the Scheme clauses received 27 September 2021.

The majority of the comments have been incorporated and definitions have been edited. Other comments will be discussed at our meeting on 25 October 2021.

A full list of definitions as compared to the 2014 definitions has been attached.

3 SCHEME MAPPING

The data as received from the office of the Surveyor General has been compared to that of the Valuation Roll received. Screen shots and numbers of the erven are attached as well as spreadsheets with the property particulars.

We will be working through these properties and correcting the links as well as linking the data base to the 2014 zoning list.

Mapping is an on-going process and will be our next focus.

Yours faithfully
